Super-Eco Tankers Management Inc.

Diversified Cargo

What's Super-Eco?

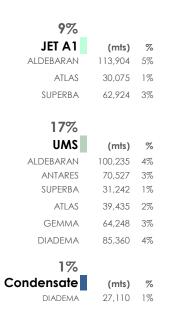

The Company is headquartered in Piraeus Greece and manages a modern fleet of tankers. The company's involvement in shipping dates back in the 19th century.

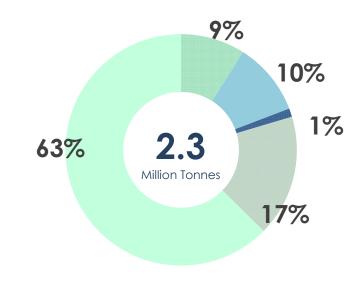

With more than 100 years of experience in sea transport, we manage a fleet of tankers transporting clients valuable and industrial products safety and efficiently. The Company manages a fleet of modern vessels of good quality and high standard of construction and equipment exceeding the level of internationally recognized safety rules and regulations. Being the Super-Eco group managing tankers as well, the quality standards have been always higher than the industry average.
